Additional Information

Our Extended Day Program will be staffed by 2 adults at all times. After school and Friday care is an extension of our program, but not an extension of the class your child is enrolled in. Developmentally appropriate practices will be used in all aspects of the Extended Day Program. The After School Care schedule will include opportunities for: free play, rest/quiet time, afternoon snack, music and movement, outdoor recess or gross motor skill time, Bible Story extension, and arts and crafts time.

Parents interested in the Extended Day Program on a regular basis will be given a separate registration form to fill out. This form will ask for the days and time frames care is needed. Extended Day Program fees will be assessed and due on a weekly or monthly basis. Parents may change their child's extended day schedule at any time, but must give a 2 week notice.
